Open a Project Proposal

- To open the Proposal click on it's name.
There are 3 windows: «**Proposal**», «**Comments**» and «**Participants**»
- The Window «**Proposal**» contains all information on this Project Proposal.
Only the Author of this proposal is able to enter or edit any information within the window «Proposal» (see User manual, Part 2).
Other users can only read the information in the menus from «**Title**» to «**Funding**» or download documents in menu «**Documents**».
If you (are not the author and) would like to suggest any changes please write an appropriate comment and ask the author to implement your suggestion.
- The Window «**Comments**» contains all comments referring to this Proposal.
The comments are sorted by date.
Click on a Username in window «**Participants**» to show only comments from that participant.
To deactivate this filter click on «All users» in window «**Participants**».
- The Window «**Participants**» contains a list of all participants allowed for this Proposal and submitting comments.
The first position in the list is the author of this Proposal.
Logged-in participants are highlighted.
Click on a Username to show only comments from that participant. To deactivate this filter click on «All users».

The view of the Project Proposal is depended on your Access right for this Project Proposal.

- Please take into consideration the **upright line** to the left of the name of Proposal.
This line can have 3 colors in accordance with your right of taking part in the discussion

The screenshot shows the 'Project Proposal - Comment' interface. At the top right, there are tabs for 'Project Proposal' and 'Comment'. Below the title, there are filter options: 'All' (selected), 'by Area of Interest', 'By Institution', 'by Collaborator', and 'by Funding Source'. A 'Registration Code:' field with a 'Use Filter' button is present. The main content is a table with four rows, each featuring a colored vertical bar on the left, a registration code, a proposal title, and a username.

	AM2501	Glass for aircrafts	Baghramyan_Volodya_an11
	AM2532	Metal oxide composites of known antibiotic drugs	Mirzoian_Anait
	AM2535	New Perspective Materials	Oganesyan_Koryun
	EU1801	Template: Rivers' turning	Endrullat_Burkhard

- I** (red)
 - Within the window «**Proposal**» only menus «Title» and «Overview» are accessible.
 - You cannot add comments - the window «**Comments**» is invisible.
 - Your Username is not included in the list of participants for this discussion - the window «**Participants**» is invisible.

- I** (yellow) If you interested to join the ongoing discussion on this Proposal click on the button «**Join**» - the upright line becomes yellow.
Automatically a request will be sent to the author and ISTC Administrator.

- I** (green) After the author of this Proposal approved your request the upright line becomes green.
 - Within the window «Proposal» all menus are accessible.
 - You can add new comments in the window «Comments».
 - Your Username is included in the list of participants for this discussion (window «Participants»).

Restricted view of a Project Proposal

To open the Proposal click on it's name.

Initially every user (except the Author) has a restricted access to a Project Proposal (according to the red or yellow upright line).

Only menus «**Title**» and «**Overview**» are accessible

Project Proposal ↑

Title Join

Overview Registration Code : **EU1801** Status : **Comment**

Area of Interest Short Title:
